

Day of Silence for Girls' Education

3:00PM Tuesday, January 14th till 3:00PM Wednesday, January 15th, 2014

In order to raise awareness and donations for over 56 million girls around the world who are deprived of an education, from 3:00PM on Tuesday, January 14th through Wednesday, January 15th, members of Springville Students for Human Rights will voluntarily abstain from talking, using the cell phone, watching TV, listening to music, or using computers (for reasons other than school work). Each student participant is recommended—*but not required*—to get at least \$25.00 of pledges from their friends, family, and community. Checks are fine and can be made payable to “Springville Students for Human Rights”. All funds raised with this sheet should be turned into Mr. Beiter at the latest by Tuesday, January 21st, and will be sent soon after to School of Leadership Afghanistan, a not-for-profit boarding school for future female leaders in Afghanistan, www.sola-afghanistan.org
