

I Pledge to be silent for the voiceless.

### Springville Students for Human Rights

In order to raise awareness and assistance for the 56 million girls around the world who are deprived of an education, I agree to willingly participate in the *Day of Silence* to raise funds to support the School of Leadership Afghanistan, a not-for-profit boarding school for future female leaders in Kabul, [www.sola-afghanistan.org](http://www.sola-afghanistan.org)

I understand that I am pledging to abstain from all forms of communication **from 3:00PM Tuesday, January 14th through 3:00PM Wednesday, January 15th, 2014.**

I understand that if needed, I will be required to speak at home to parents/siblings, as well as in class/school to teachers, staff, coaches, teammates, and administrators. However, for the stated 24 hours, I will abstain from speaking to my friends, using the cell phone, watching TV, listening to music, or using computers (for reasons other than school work).

I also promise to collect funds for this event and to manage this money responsibly and ethically. **All cash or checks are due soon as possible after the event, PAYABLE TO "SPRINGVILLE STUDENTS FOR HUMAN RIGHTS"**. If you have any questions, email Mr. Beiter at [abeiter@springvillegi.org](mailto:abeiter@springvillegi.org) or call 592-3270, ext. 2305. Thank you.
